

Operation Golden Christmas

IN HONOR OF THE RESIDENTS OF OUR COMMUNITIES' CARE CENTERS

We have a great opportunity to bless the residents of our communities' care centers this Christmas. Individuals, families, churches, community organizations and ministries, cell groups and Sunday school classes are invited to join us in giving Christmas gifts to residents in local nursing care centers during this Christmas season. In the Colorado Springs area, there are over 3,000 residents who must not be forgotten. Over 85% of those residents rarely have visitors throughout the year— and this includes the Christmas season. You may give Christmas gifts to the residents by offering to help in one or more of the following ways:
